## Lady Cardinals 14U Softball Tryouts! West KY Posted by pacedog - 28 Jul 2013 21:04

The Lady Cardinals 14U team will be conducting tryouts on AUG 4th at 2pm. Tryouts will be held at the Heath Ball fields on Old Hall Road in West Paducah, Ky. Players out of town are not a problem. We are looking to fill several different positions. We need girls and parents that are dedicated to the sport and that are willing to work very hard to take their game to the next level. We will play 5-6 tournaments during the fall before starting our winter indoor program in Paducah, KY to prepare for the upcoming spring season. We will also play two indoor tournaments in early February. We have two open spots for seasoned pitchers who are looking for plenty of mound time and that want to lead this team. We have established coaching and sponsorship. Uniforms will be provided through our sponsorship program! Call Dave at (270) 559-9701 or Jerry at (270) 217-0722.
