

Survivors Softball tryouts

Posted by Dee Pinson - 09 Aug 2013 08:09

We are a travel softball team based out of west tn. We are called the Survivors and play to raise awareness for breast cancer. We just finished our first year of travel ball and had a very good season. We will be holding tryouts for a 10u and 12u team starting Monday from 4-7 at the Atwood Tn Softball fields.
