Welcome To Gulfport Sportsplex The Gulfport Sportsplex Facility hosts some of the largest and finest national and regional tournaments and World Series Events in the Southeast. Home of the Gulf Islands Waterpark Come visit us at the Sportsplex and see what all the talk is about! Gulfport Sportsplex Facility Overview The Gulfport Sportsplex is a 250 acre recreational park located near Interstate-10 within the city limits of Gulfport. The construction of the Gulfport Sportsplex is a multi-phase project designed by the Gulfport Department of Leisure Services. This project stemmed from a departmental master plan conducted in 1995 in which citizens of Gulfport along with committee members called for a multi-purpose recreational complex that could provide a wide array of recreational opportunities and activities as well as generate revenue and cater to the tourism market of many sports activities. Construction began in 1995.\*\*\*\*\*
